

ASTROLOGY CHEAT SHEETS

Unlock the secrets in your birth chart!

Step 1:

You need:

Your birth date

Your birth time

Your place of birth

Visit www.astro.com.

Click on [FREE HOROSCOPES](#), then click on [CHARTS & DATA](#).

Select chart drawing. You will have to create an account.

Fill in your details and make sure you select **WHOLE HOUSE** under HOUSE system.

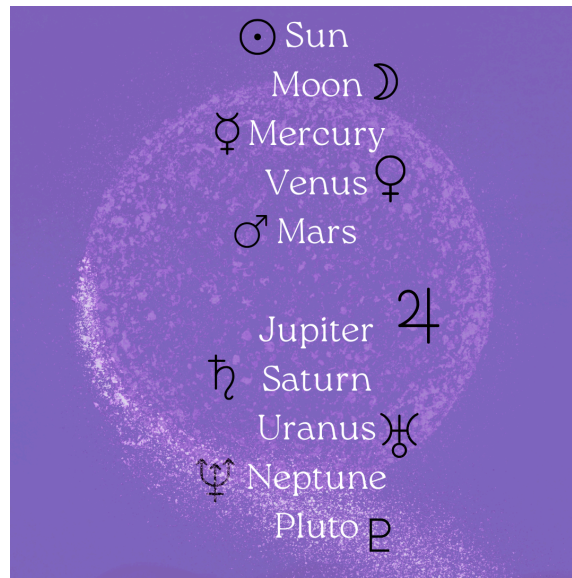

Print out your birth chart and keep it in your daily planner or somewhere where it is easily accessible.

Step 2:

Spend some time drawing and memorizing the zodiac signs and planetary glyphs.

Zodiac Signs & Planetary glyphs

The Planets in your birth chart

Sun - describes the center of your personality, your heart's truth and vitality. What lights you up?!

Moon - describes your emotional nature and instinctual behaviour. The Moon stores memory.

Mercury - describes your communication style and mental agility.

Venus - describes your love language and artistic nature. Venus is the primary indicator of how you harmonize and unite with others.

Mars - describes your drive and motivations as well as how you assert yourself.

Jupiter - describes how you liberate yourself and expand. Jupiter's position indicates where you are most likely to bless others.

Saturn - brings structure and order; builds and strengthens through restriction and discipline.

Uranus - describes your inventiveness and higher mental abilities.

Neptune - describes your psychic abilities and fantasies. In your chart Neptune also reveals the area in which you "escape reality".

Pluto - describes your relationship with power, how you get it and how you use it.
